Whangamomona Hotel - Adventure Awaits!

Nestled in the heart of Whangamomona, along the legendary State Highway 43—fondly known as the Forgotten World Highway—this iconic hotel is more than just a business; it's a destination.

Steeped in history since its establishment in 1911, the Whangamomona Hotel has become a must-visit for travelers, adventurers, and curious wanderers exploring this captivating region.

A beloved stop for motorists, cyclists, and walkers on their Forgotten World Highway journey, the hotel has gained global attention through features by Lonely Planet and the BBC. It enjoys a strong partnership with Forgotten World Adventures, hosting guests who experience the unique rail cart tours along the decommissioned railway line. Additionally, its location on the renowned NZ Cycle Tour routes makes it a prime hub for cycling enthusiasts.

Offering charming accommodation for up to 44 guests, the hotel includes 5 modern self-contained units added in 2017, blending historic character with contemporary comforts. Having undergone significant upgrades over the years, this property is primed to welcome the next generation of owners looking to write their own chapter in Whangamomona's storied legacy.

Step into a thriving hospitality business at the crossroads of history, adventure, and natural beauty.

This is your chance to own an iconic slice of New Zealand tourism.

The current owners have expanded the property to include the Lodge, fully refurbished Post Office, managers residence and other sections that could potentially be sold as separate options.

This is a fantastic operation that has grown to its current status, and yet still has potential to grow bigger!
