Thriving Timber Merchant & Frame/Truss Manufacturing Business

Strong Industry Reputation | Profitable & Scalable | Managed Operation

A rare opportunity to acquire a well-established and highly profitable timber merchant business with a frame & truss manufacturing plant. This is not a sawmill - rather, a trusted supplier to the construction industry, providing a comprehensive range of timber products and precision-engineered frames and trusses.

Key Highlights:

- Turnover Circa \$10.5M - Strong and consistent 4-year average revenue.
- 2025 EBPIDTA Forecast: \$1.4M - Solid profitability with room for growth.
- Experienced Team in Place - Capable of operating the business under management.
- Diverse Revenue Streams - Timber yard, frame & truss manufacturing, and retail sales.
- Growth Potential - Expand operations in a high-demand sector.
- Option to Purchase Premises - Secure long-term control over your business location.

With tangible assets of \$1.1M, an adjusted EBIT of over \$1M, and the potential to own the premises, this is a turnkey business with a solid foundation and significant scalability.

Price: \$5.3M (Includes Stock & Assets)

This is your chance to own a thriving business in the booming construction supply industry.
