### Mainstay Korean Restaurant on Aucklands North Shore - (CML 11259)

Established Restaurant that has been a long standing mainstay on the lovely North Shore community. This restaurant has always been well supported by locals and visitors for the past 20 years and it is now time for a new owner to continue its legacy due to the current owner retiring.

Nestled in the hub of its local community, and close to a large shopping mall, there is plenty of foot traffic and car parking available.

Rent is very reasonable and a new lease is available.

Currently trading 6 days a week, there is a wonderful opportunity here to immerse yourself in a vibrant and busy North Shore community, and potentially extend days/hours if desired.

Seating is available for up to 32 patrons, and although currently operating as a Korean Restaurant, a new owner could easily convert this business to another type of ethnic food concept.

Let your new food venture begin now!
