Key features:

The founders have built a strong reputation for reliability and are a highly valued supplier to manufacturers, architects, and allied industries across New Zealand. The company's unique qualities and substantial barriers to entry create a consistent revenue stream, while an exclusive colour in their range sets it apart from competitors.

The largest independent operator of its kind in the country, this well-established business has plenty of capacity to expand and has a significant growth opportunity due to its corporate client base. With a solid foundation and steady growth trajectory, it is positioned for a new owner to introduce energy and ideas to take this business to the next level. While the owners are hands on, this enterprise could be converted to a managed business. It could also be an attractive acquisition for related sectors in powder coating, engineering and the aluminium industry.

Business Purchase Price: \$1,200,000 + Stock (approx. \$20k)
