Rare Opportunity - The Woodville Tannery for Sale

From the forests of New Zealand to luxury markets across the world, Untamed a division of Basically Bush Limited, supplies fabulous wild possum pelts. New Zealand and international furriers are turning their attention to the luxurious lightweight possum fur skins following a global resurgence in fur skins. Possum fur's uniquely hollow fibre is light yet able to retain warmth.

This is a unique opportunity to own a part of New Zealand's living history. Possibly the last of its kind! The business produces from the possum skins and fur a range of uniquely NZ products offering strong export opportunities.

Key Highlights:

- Eco-Friendly & Profitable: Play a key role in reducing possum numbers while supplying premium tanned pelts.
- Turnkey Operation: Fully equipped with streamlined processes and established supplier relationships
- Experienced Team: Skilled staff in place, willing to stay on
- Sustainable & Ethical: Support conservation by repurposing a pest and selling ethical furs
- Growth Potential: Expand into new international markets, develop custom products, or scale up production

This is a niche business with local and global demand. If you are creative, have vision and are driven this could be the perfect fit
