Unique & Exciting! Honey Mead Production

Reflecting the medieval and magical properties of this special honey mead, production started life under the Alchemy Beverages brand, before the name changed to Mead A'mour.

Over the past two decades, the vendors have diversified and grown the company, developing and adding a range of new products. Now producing honey beverages, including honey meads, honey liqueur, sparkling Bellini fruit wines and a range of low carb, all-natural, honey-based carbonated non-alcoholic beverages and marketing these internationally.

Manuka honey is at the forefront of most of their beverages, as honey is the elixir of life and manuka honey reigns above all others!

Main Points:

- * Significant lifestyle work-life balance. Brew only 5-6 times per year
- * 300sqm industry-compliant warehouse, treatment room including vats, silos, bottling & Labelling plant.
- * Low staff requirements - flexible working owner timetable
- * High end products with top notch presentation
- * Turn-key business primed for market share expansion.
- * Targeting an innovative new owner proficient in product development and marketing strategy
- * An easy stand-alone business or a perfect add-on to an existing operation
