Dual-Specialist Manufacturer | Growth and Scale!

Two powerhouse brands. One strategic location. Endless opportunity.

This is more than a manufacturing business - it's a rare combination of niche dominance and high-volume capability in a market searching for trusted local providers.

Based in a sought-after Auckland industrial hub, these businesses combine forces to deliver standout manufacturing in the textiles industries. One is a premium presentation specialist with bespoke equipment and virtually no direct competition. The other? The region's largest CMT manufacturer with over 50 years of operational pedigree and deep supply ties to a range of sectors including healthcare, hospitality, hotels, and more!

Key highlights:

- * Two distinct yet complementary businesses under one roof
- * Industry-leading solutions using custom-built machinery
- * Long-term CMT supply ties with a number of sectors
- * High barriers to entry, low competitive pressure
- * Loyal, skilled workforce with decades of tenure
- * Embedded supplier relationships for smooth production
- * Shared site = streamlined workflow + cost efficiencies
- * Undercooked marketing = immediate upside potential
- * Scalable with room to grow - no need to move or reinvest

Currently, the owner spends 30-40 hours per week across both businesses. One of the business's largely runs itself; the other sees more hands-on scheduling and client liaison. But the structure is flexible - ideal for an experienced operator or someone ready to build a team and scale up.

In a tightening supply landscape, this dual-operation offers instant market presence, repeat work, and real growth potential. Whether you're expanding your footprint or making a smart first acquisition, this is an unmissable opportunity to secure two well-oiled operations with serious upside.
