### Independent tutoring business for sale. Enjoy teaching without the stress of a full time work or hefty franchise fees.

Tutoring is a growth industry in NZ especially with the new English and Maths standards.

This business has been running for 13 years and has proven credibility with local schools and community.

It offers small group tutoring to Years 1 to 11 in English and maths.

Currently this business operates 3 hours, 4 days a week. Turnover could easily be increased by increasing to five days, adding extra sessions per day, adding extra learning stations as well as incorporating holiday programs.
